**KEEP OUT OF REACH OF CHILDREN
CAUTION**

BEFORE USING, READ THE MATERIAL SAFETY DATA SHEET (MSDS) FOR THIS PRODUCT.

FIRST AID

Have label with you when obtaining treatment advice.

If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Get medical attention if irritation persists.
If on skin or on clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Get medical attention if irritation persists.
If swallowed	Immediately give 1-2 glasses of water if able to swallow. Induce vomiting. Repeat procedure until vomited fluid is clear. Call a poison control center or doctor for treatment advice. Do not give anything by mouth to an unconscious person.
If inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. If breathing is difficult, give oxygen. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

***For 24-hour medical emergency information on this product, call 1-800-498-5743 (U.S. & Canada) or 1-651-523-0318 (all other areas).**

PRECAUTIONARY STATEMENTS

CAUTION: Contains detergents and alkaline salts. This product is intended to be diluted before using. May cause eye, skin, nose and throat irritation. May be harmful if swallowed. Avoid contact with eyes, skin and clothing. Avoid breathing spray mist. Always wear proper eye protection and proper protective clothing when using this or any chemical products.

This specimen label is intended for use only as a guide in providing general information regarding the directions, warning and cautions associated with the use of this product. As with any pesticide, always follow the label instructions on the package before using.

Do not taste or swallow. Do not take internally. Keep container closed. Use and store with adequate ventilation. Wash thoroughly after handling.

BioSentry® Universal Barn Cleaner is effective for all types of manual cleaning jobs. It is chemically compatible for follow-up use with all the popular chemical classes of disinfectants – phenolics, quaternary ammonium compounds, aldehydes, chlorine, iodine and peroxy compounds. Effectively deodorizes as it cleans.

RECOMMENDED AREAS OF USE

- Poultry Hatcheries:** Walls, floors, ceilings of rooms, setters and hatcher. Manual cleaning of trays, racks, plastic flats and boxes.
- Farm Uses:** As a general cleaner and deodorizer in poultry houses, swineries and livestock barns.
- Truck Wash:** Excellent cleaner and deodorizer for exterior and interior of trucks, cars and other vehicles.

DIRECTIONS FOR USE

GENERAL CLEANING: Use BioSentry® Universal Barn Cleaner at 0.75 - 2.5 % (1 - 3 ounces per gallon of water) (8 - 24 mL/L) for cleaning. The amount of concentrate may vary, depending on the soil load and how difficult the surface is to clean. BioSentry® Universal Barn Cleaner may be used through a foaming device, or it may be used manually with a cloth, sponge or brush.

Rinse away soils with fresh water or wipe off with a clean sponge. After thorough pre-cleaning, follow-up with an application of an appropriate disinfecting solution.

HIGH-PRESSURE CLEANING: Use a 0.25 - 0.75 % solution (1/4 - 1 ounce per gallon of water) (2 - 8 mL/L). After cleaning, rinse away soils with fresh water or wipe off with a clean cloth or sponge.

POULTRY, SWINE, FARM ANIMAL HOUSING : Mix at a rate of 1 part to 250 - 500 parts of water. Use to pressure-wash the house.

***NOTE:** BioSentry® Universal Barn Cleaner is compatible in use with all types of disinfectants. Clean with BioSentry® Universal Barn Cleaner and then disinfect. Do not mix BioSentry® Universal Barn Cleaner with disinfectant to use together.*

STORAGE AND DISPOSAL

Store in original container, in areas inaccessible to children. Store in a cool place. Keep container tightly closed. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.
